QUESTIONS AND ANSWERS ABOUT THE 2016 ANNUAL MEETING AND VOTING

1. WHY DID I RECEIVE THESE PROXY MATERIALS?

Our Board of Directors is furnishing this proxy statement to you to solicit proxies on its behalf to be voted at the Annual Meeting on **December 16, 2016, at 9:00 a.m., Eastern Time, at the Company's offices at 2 Bethesda Metro Center, 14th Floor, Bethesda, Maryland 20814**. The proxies also may be voted at any postponement or adjournment of the meeting.

All properly executed written proxies, and all properly completed proxies submitted by telephone or by the internet, that are timely delivered pursuant to this solicitation will be voted at the Annual Meeting in accordance with the directions given in the proxy, unless the proxy is revoked before the completion of voting at the meeting.

2. WHAT IS A PROXY?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. Samuel A. Flax and John R. Erickson have been designated as proxies by the Board of Directors for the Annual Meeting.

3. WHAT IS THE RECORD DATE AND WHAT DOES IT MEAN?

The record date for the Annual Meeting is November 3, 2016 (the "record date"). The record date is established by the Board of Directors and only common stockholders of record at the close of business on the record date are entitled to:

- a. receive notice of the meeting; and
- b. vote at the meeting and any postponement or adjournment of the meeting.

Each common stockholder of record on the record date is entitled to one vote for each share of common stock held. On the record date, there were 10,000,100 shares of common stock outstanding.

4. WHAT IS THE DIFFERENCE BETWEEN A STOCKHOLDER OF RECORD AND A STOCKHOLDER WHO HOLDS STOCK IN STREET NAME?

If your shares of common stock are registered in your name on the books and records of our transfer agent, you are a common stockholder of record.

If your shares of common stock are held for you through an intermediary in the name of your broker, bank or other

nominee, your shares are held in street name. The answer to Question 10 below describes brokers' discretionary voting authority and when your broker, bank or other nominee is permitted to vote your shares of common stock without instructions from you. For shares held through a benefit or compensation plan or a broker, bank or other nominee, you may vote by submitting voting instructions to your plan trustee, broker, bank or nominee. If you attend the Annual Meeting, you may withdraw your proxy and vote in person.

It is important that you vote your shares of common stock if you are a stockholder of record and, if you hold shares in street name, that you provide appropriate voting instructions to your broker, bank or other nominee as discussed in the answer to Question 10 below.

5. WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

You may submit your proxy or vote your shares of our common stock by any of the following methods:

By Telephone or the Internet—Common stockholders can vote their shares via telephone or the internet as instructed in the proxy card or the voting instruction form. The telephone and internet procedures are designed to authenticate a stockholder's identity, to allow common stockholders to vote their shares and to confirm that their instructions have been properly recorded.

By Mail—A common stockholder who receives a paper proxy card or voting instruction form or requests a paper proxy card or voting instruction form by telephone or internet may elect to vote by mail and should complete, sign and date the proxy card or voting instruction form and mail it in the pre-addressed envelope that accompanies the delivery of the proxy card or voting instruction form. For common stockholders of record, proxy cards submitted by mail must be received by the date and time of the Annual Meeting. For common stockholders who hold their shares through an intermediary, such as a broker, bank or other nominee, the voting instruction form submitted by mail must be mailed by the deadline imposed by your broker, bank or other nominee for your shares to be voted.

In Person—Shares of common stock held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares of common stock held beneficially in street name may be voted by you in person at the Annual Meeting only if you obtain a "legal" proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares and bring that "legal" proxy to the meeting.

6. WHAT ITEMS WILL BE CONSIDERED AND VOTED ON AT THE ANNUAL MEETING?

Proposal	Board Recommendations
1) Election of five directors, each to serve a one-year term and until his or her successor is duly elected and qualifies	FOR each of the nominees
2) Approval of the amendment and restatement of our management agreement	FOR
3) Approval and ratification of certain payments made to our manager under our management agreement	FOR
4) Ratification of the appointment of Ernst & Young LLP to serve as our independent public accountant for the year ending December 31, 2016	FOR

The Board of Directors does not intend to bring other matters before the Annual Meeting except items incidental to the conduct of the meeting. However, on all other matters properly brought before the meeting, or any postponement or adjournment thereof, by the Board of Directors or others, the persons named as proxies in the accompanying proxy card, or their substitutes, will vote in accordance with their discretion.

7. WHO COUNTS THE VOTES?

Our transfer agent will receive and tabulate the proxies and certify the results.

8. WHAT IF A STOCKHOLDER DOES NOT SPECIFY A CHOICE FOR A MATTER WHEN RETURNING A PROXY?

Stockholders should specify their voting choice for each matter on the accompanying proxy. If no specification is made for that proposal, such shares will be voted “FOR” the election of the five director nominees, “FOR” the amendment and restatement of our management agreement, “FOR” the approval and ratification of certain payments made to our manager under our management agreement, and “FOR” the ratification of the appointment of Ernst & Young LLP as our independent public accountant for the year ending December 31, 2016.

9. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that you have multiple accounts with brokers and/or our transfer agent. *Please vote all of these shares.*

We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Computershare Investor Services. Computershare’s address is P.O. Box 30170 College Station, TX 77842-3170; you can reach Computershare at 1-800-733-5001 (from within the United States or Canada) or 781-575-3400 (from outside the United States or Canada).

10. WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

Stockholders of Record—If you are a stockholder of record (*see* Question 4 above), your shares of common stock will not be voted if you do not provide your proxy unless you vote in person at the Annual Meeting. *It is important that you vote your shares.*

Street Name Holders—If your shares of common stock are held in street name (*see* Question 4 above) and you do not provide your signed and dated voting instruction form to your broker, bank or other nominee, your shares may be voted by your broker, bank or other nominee but *only* under certain circumstances. Specifically, under applicable rules, shares held in the name of your broker, bank or other nominee may be voted by your broker, bank or other nominee on certain “routine” matters if you do not provide voting instructions.

The only proposal to be voted on at the Annual Meeting that is considered a “routine” matter for which brokers, banks or other nominees may vote uninstructed shares is the ratification of the appointment of Ernst & Young LLP as the Company’s independent public accountant. The other proposals (specifically, the election of director nominees, the amendment and restatement of our management agreement, and the approval and ratification of certain payments made to our manager under our management agreement) are not considered “routine” under applicable rules, so the broker, bank or other nominee cannot vote your shares on these proposals unless you provide to the broker, bank or other nominee voting instructions for these matters. If you do not provide voting instructions on a non-routine matter, your shares of common stock will not be voted on the matter, which is referred to as a “broker non-vote.” *It is, therefore, important that you vote your shares.*

11. ARE ABSTENTIONS AND BROKER NON-VOTES COUNTED?

Abstentions and broker non-votes will not be counted as votes cast and will not affect the outcome of the vote at the Annual Meeting, except that abstentions and broker non-votes have the same effect as voting against Proposal 2, the amendment and restatement of our management agreement, and Proposal 3, the approval and ratification of certain payments made to our manager under our management agreement, and brokers, banks and other nominees will have discretionary authority to vote on

Proposal 4, the ratification of the appointment of Ernst & Young LLP as the Company's independent public accountant. *See* Question 10 above for more information about broker non-votes.

12. HOW CAN I REVOKE A PROXY?

The enclosed proxy is solicited on behalf of the Board of Directors and is revocable at any time prior to the voting of the proxy, by the filing of an instrument revoking it, or a duly executed proxy bearing a later date, with our Secretary, addressed to our principal executive offices at 2 Bethesda Metro Center, 14th Floor, Bethesda, Maryland 20814. In the event that you attend the Annual Meeting, you may revoke your proxy and cast your vote personally at the meeting.

13. WHO WILL PAY THE COST OF THIS PROXY SOLICITATION?

We will bear the cost of soliciting proxies on the accompanying form. In addition to the use of mail, our officers and American Capital ACSF Management, LLC (our "Manager") may solicit proxies by telephone or facsimile. We may also retain a solicitation firm for soliciting proxies. Upon request, we will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding our proxy materials to beneficial owners of our common stock.

14. HOW DO I OBTAIN ADMISSION TO THE ANNUAL MEETING?

If you wish to attend the Annual Meeting in person, we request that you register in advance with our Investor Relations department either by email at IR@ACSF.com or by telephone at (301) 968-9310.

Attendance at the Annual Meeting will be limited to persons presenting proof of stock ownership on the record date and picture identification. If you hold shares directly in your name as the stockholder of record, proof of ownership could include a copy of your account statement or a copy of your stock certificate(s). If you hold shares through an intermediary, such as a broker, bank or other nominee, proof of stock ownership could include a proxy from your broker, bank or other nominee or a copy of your brokerage or bank account statement.

15. HOW MANY VOTES MUST BE PRESENT TO HOLD THE ANNUAL MEETING?

In order for us to conduct the Annual Meeting, common stockholders entitled to cast a majority of all the votes entitled to be cast as of the close of business on November 3, 2016 must be present in person or by proxy at the meeting. This is referred to as a quorum. Your shares are counted as present at the Annual Meeting if you attend the meeting and vote in person or if you properly return a proxy by internet, telephone or mail. Abstentions and broker non-votes will be considered present for the purpose of determining whether a quorum is present.

16. WHY AM I BEING ASKED TO APPROVE AND RATIFY CERTAIN PAYMENTS PREVIOUSLY MADE TO THE COMPANY'S MANAGER UNDER THE MANAGEMENT AGREEMENT?

During the preparation of this proxy statement, the Company and our Board of Directors were advised that the composition of the Board of Directors had not met one of the regulatory requirements of the Investment Company Act of 1940 since the Company's initial public offering. While the composition of the Board now satisfies this requirement, you will be asked at the Meeting to ratify and approve the management agreement payments made to our Manager, as well as the Board of Directors' determinations with respect thereto.

BOARD AND GOVERNANCE MATTERS

Our Board of Directors is currently comprised of three independent directors and two affiliated directors, Malon Wilkus and Stan Lundine. The following table sets forth the current members of our Board of Directors and their committee membership, if any:

Name	Director Since	Audit and Compliance ⁽¹⁾	Compensation and Corporate Governance ⁽²⁾
<i>Interested Directors</i>			
Malon Wilkus	2013		
Stan Lundine	2014		
<i>Disinterested Directors</i>			
Phyllis R. Caldwell*	2014	✓	Chair
Gil Crawford*	2014	✓	✓
Larry K. Harvey*	2014	Chair	✓

- * Director is “independent,” as defined in Rule 5605(a)(2) of The NASDAQ Global Select Market’s marketplace rules (the “NASDAQ rules”), and is not an “Interested Person” of ACSF, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”).
- (1) Each member of the Audit and Compliance Committee is “independent,” as defined in Rules 5605(a)(2) and 5605(c)(2) of the NASDAQ rules and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Board of Directors has determined that Mr. Harvey is an “audit committee financial expert,” as defined in Item 407 of Regulation S-K under the Securities Act of 1933, as amended (the “Securities Act”).
- (2) Each member of the Compensation and Corporate Governance Committee is “independent,” as defined in Rules 5605(a)(2) and 5605(d)(2) of the NASDAQ rules.

Board Leadership Structure

Mr. Wilkus has served as our Chair and Chief Executive Officer since our incorporation in February 2013. We believe that combining the positions of Chair and Chief Executive Officer is the best corporate governance leadership structure for us at this time because it permits clear accountability, effective decision-making and alignment on corporate strategy.

Although we believe that it is more effective for us to combine the positions of Chair and Chief Executive Officer, we recognize the importance of strong independent leadership on the Board. We believe that our Board’s independent oversight continues to be substantial. Our Board of Directors has determined that all of the current directors, except Messrs. Wilkus and Lundine, are “independent” as defined in the NASDAQ rules. Similarly, only Messrs. Wilkus and Lundine are “Interested Persons” of ACSF under the 1940 Act.

It is our Board’s policy as a matter of good corporate governance to have a majority of our directors who are not “Interested Persons” meet regularly without persons who are members of management or employee directors present to facilitate the Board’s effective independent oversight of management. These directors periodically designate a director who is “independent,” as defined in the NASDAQ rules, to serve as the “lead independent director” and preside at these meetings. Presently, our disinterested directors meet during our Board’s quarterly in-person meetings and may hold additional meetings at the request of the lead independent director or another disinterested director. The designation of a lead independent director is generally for a one-year term or until his or her successor is elected, and a lead independent director may be re-appointed at the end of a term. If the lead independent director is unavailable for a meeting, his or her immediate predecessor will serve as lead independent director for such meeting. Mr. Crawford is our current lead independent director.

Each of our Board’s Audit and Compliance Committee and Compensation and Corporate Governance Committee is composed entirely of independent directors. These independent committees of our Board also have the authority under their respective charters to hire independent advisors and consultants, at our expense, to assist them in performing their duties.

Corporate Governance

Our Board of Directors has developed corporate governance practices to help it fulfill its responsibility to stockholders to oversee the work of management in the conduct of our business. The governance practices are memorialized in corporate governance guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of management. These guidelines, in conjunction with our charter (our “Charter”), Amended and Restated Bylaws (our “Bylaws”) and committee charters of the Audit and Compliance Committee and the Compensation and Corporate Governance Committee, form the framework for our governance. All of these documents are available in the Investor Relations section of our web site at www.ACSF.com.

CORPORATE GOVERNANCE HIGHLIGHTS:

- Annual election of directors
- Directors elected by majority, not plurality, voting
- Resignation policy for directors who do not receive a majority vote
- Three of five directors are independent
- Designated lead independent director
- Regular meetings of independent directors without members of management or affiliated directors
- At least 80% attendance for Board meetings and 100% attendance for committee meetings in 2015
- Comprehensive Code of Ethics and Conduct and Corporate Governance Guidelines

Committees of the Board of Directors

Our Board of Directors’ principal standing committees and their primary functions are described below.

Audit and Compliance Committee

This committee assists the Board of Directors in overseeing:

- our accounting and financial reporting processes;
- the integrity and audits of our financial statements;
- the adequacy of our internal controls over financial reporting, including information technology security and controls relating to the preparation of our financial statements;
- our compliance with legal and regulatory requirements;
- the qualifications and independence of our independent registered public accounting firm; and
- the performance of our independent registered public accounting firm and any internal auditors.

In addition, the Audit and Compliance Committee reviews and provides a recommendation to the Board of Directors with regard to its approval of the valuations of our investments presented by management. In such review, the committee discusses the proposed valuations with our independent auditors and other relevant consultants. The Audit and Compliance Committee is also responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm and considering the range of audit and non-audit fees. The committee’s meetings include, whenever appropriate, executive sessions with each of our independent external auditors and our Manager’s internal auditors, without the presence of management.

Compensation and Corporate Governance Committee

This committee’s principal functions are to:

- evaluate the performance of and compensation paid by us, if any, to our executive officers;
- evaluate the performance of our Manager;
- review the compensation and fees payable to our Manager under the management agreement with our Manager (which is described under “Board and Governance Matters—Certain Transactions with Related Persons”);
- decide whether to recommend the renewal or termination of the management agreement with our Manager;
- evaluate the compensation and fees payable to the members of the Board of Directors;

- administer any equity incentive plans that we may adopt, to the extent it is delegated authority by the Board of Directors;
- review and assist with the development of our executive succession plans; and
- produce a report on executive compensation required to be included in our proxy statement for our annual meetings.

The Compensation and Corporate Governance Committee also serves as the Board of Director's standing nominating committee and as such performs the following functions:

- identifying, recruiting and recommending to the Board of Directors qualified candidates for election as directors and recommending a slate of nominees for election as directors by our common stockholders at the annual meeting of stockholders;
- developing and recommending to the Board of Directors corporate governance guidelines, including the committee's selection criteria for director nominees;
- reviewing and making recommendations on matters involving the general operation of the Board of Directors and our corporate governance;
- recommending to the Board of Directors nominees for each committee of the Board of Directors; and
- annually facilitating the assessment of the Board of Directors' performance as a whole and of the individual directors and reports thereon to the Board of Directors.

Board and Committee Meetings

Under our Bylaws and Maryland law, the Board of Directors is permitted to take actions at regular or special meetings and by written consent. The Board of Directors generally holds regular quarterly meetings and meets on other occasions as necessary. The Board of Directors held five meetings during 2015. As noted above, the independent directors also met separately in executive sessions to discuss various matters, including our performance and the performance of our Manager.

Each of the Audit and Compliance Committee and the Compensation and Corporate Governance Committee schedules regular meetings to coincide with the quarterly in-person meetings of the Board of Directors and also meets at the request of senior management or at such other times as it determines. Our Secretary, in consultation with the chair of each committee, sets agendas for the meetings. Each committee reports regularly to the Board of Directors on its activities at the next regularly scheduled Board meeting following their committee meetings and when appropriate. During 2015, the Audit and Compliance Committee held five meetings and the Compensation and Corporate Governance Committee held five meetings, three of which were held to evaluate and review our Manager's performance and to approve the compensation and terms of the management agreement with our Manager.

Each of our directors attended at least 80% of the meetings of the Board of Directors and 100% of the meetings of the committees on which he or she served in 2015. Although we do not have a policy on director attendance at the Annual Meeting, directors are encouraged to attend the Annual Meeting. Four out of five of our directors attended the 2015 Annual Meeting either in person or by telephonic conference call.

Risk Oversight

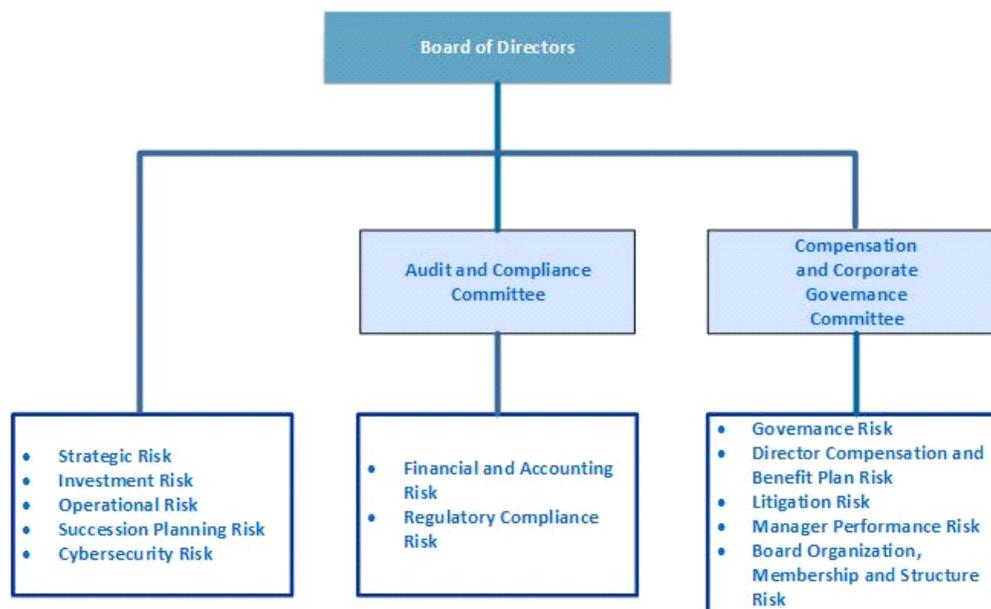

One of the roles of our Board of Directors is being responsible for the general oversight of the Company, including the performance of our executive officers, our Manager and the Company's risk management processes, to assure that the long-term interests of our stockholders are being served. In performing its risk oversight function, the Board, directly or through its standing committees or by working with our Chief Compliance Officer, regularly reviews our material strategic, operational, financial, compensation and compliance risks with senior management. The Company believes that the Board's role in risk management oversight is effective and appropriate, particularly given the extensive regulation to which it is already subject as a business development company ("BDC") and a regulated investment company ("RIC") under the Internal Revenue Code. For instance, the Board receives updates at each regular meeting on the Company's performance and other recent developments, including, among other things, the risks and opportunities facing us, as well as our investment portfolio. The Board has also adopted, and regularly reviews our compliance with, various policies and procedures addressing other operational risks, such as business continuity, data privacy and cybersecurity. In addition, the Board routinely receives information regarding the technology and cyber-risks relevant to the Company's business to ensure that adequate steps are being taken to prevent, and prepare for, cyber-incidents.

The Board of Directors also recognizes the importance of effective executive leadership to our success and is actively engaged in overseeing the operational risks related to succession planning. The Board of Directors routinely discusses staffing

for critical roles, and potential replacements for key personnel are given exposure to the Board of Directors during meetings and other events. In addition, the Board of Directors is regularly updated on the Manager's strategies for recruiting, developing and retaining outstanding personnel at the Manager and its affiliates and minimizing employee turnover, as applicable.

The Board has delegated certain risk management oversight responsibility to its committees as follows:

- **Regulatory Compliance Risk:** The Board, both directly and through the Audit and Compliance Committee, receives regular reports from our Manager's legal, accounting and internal audit representatives on regulatory matters, including the Company's compliance with the BDC qualification and leverage requirements under the 1940 Act and the RIC income and asset diversification requirements under the Internal Revenue Code, compliance with our Code of Ethics and Conduct ("Code of Ethics") and our Manager's compliance with the Investment Advisers Act of 1940.
- **Financial and Accounting Risk:** The Audit and Compliance Committee oversees the Company's management of its financial, accounting, internal controls and liquidity risks through regular meetings with our Chief Financial Officer, senior representatives of our Manager's accounting, tax, auditing and legal departments and representatives of the Company's independent public accountant.
- **Litigation Risk:** The Compensation and Corporate Governance Committee monitors the Company's litigation, if any.
- **Compensation and Benefit Plan Risk:** The Compensation and Corporate Governance Committee considers the extent to which our director compensation and any benefit plan programs that we may adopt may create risk for the Company.
- **Governance Risk:** The Compensation and Corporate Governance Committee also oversees risks related to Board organization, membership and structure and corporate governance.

The Board also performs its risk management oversight function by working with our Chief Compliance Officer to monitor risk and compliance in accordance with the 1940 Act and our policies and procedures. The Chief Compliance Officer reviews, at least annually, the adequacy and effectiveness of our compliance policies and procedures and those of certain of our service providers, including our Manager, and provides a written report to the Board. The Chief Compliance Officer's report, which is reviewed by and discussed with the Board, addresses at a minimum (i) the operation of such policies and procedures since the last report; (ii) any material changes to such policies and procedures since the last report; (iii) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's review; and (iv) any compliance matter that has occurred since the date of the last report about which the Board would reasonably need to know to oversee our compliance activities and risks. In addition, the Chief Compliance Officer reports to the Board periodically on material compliance matters and meets separately in executive session with the disinterested directors at least once each year.

Director Compensation

We were incorporated in Maryland on February 6, 2013 and commenced operations on October 15, 2013. We completed our initial public offering (“IPO”) on January 22, 2014. Mr. Wilkus was appointed to the Board of Directors on February 6, 2013, and Ms. Caldwell and Messrs. Crawford, Harvey and Lundine were appointed to the Board of Directors on January 13, 2014 in connection with our IPO.

We compensate our non-employee directors with cash retainers. Any member of our Board of Directors who is an employee of the Company, American Capital, Ltd. (“American Capital”) or any of its affiliates, including our Manager, does not receive compensation from us for his or her Board service. The Compensation and Corporate Governance Committee periodically reviews the form and amount of compensation paid to our non-employee directors against peer companies and group and general industry data and makes recommendations for adjustments, as appropriate, to the full Board of Directors. During 2015, each such non-employee director was paid a retainer for service on the Board of Directors at an annual rate of \$60,000, payable quarterly in advance. In addition, the Chair of our Audit and Compliance Committee was paid a retainer at an annual rate of \$15,000, the Chair of our Compensation and Corporate Governance Committee was paid an annual retainer of \$10,000, and our lead independent director was paid an annual retainer of \$10,000, each payable quarterly in advance. Director Nomination Process

Nominations for election to the Board of Directors may be made by the Compensation and Corporate Governance Committee of the Board of Directors, or by any common stockholder entitled to vote for the election of directors. Candidates recommended by common stockholders will be evaluated by the Compensation and Corporate Governance Committee under the same criteria that are applied to other candidates.

Board Membership Criteria

Although there is not a formal list of qualifications, in discharging its responsibilities to nominate candidates for election to the Board of Directors, the Compensation and Corporate Governance Committee endeavors to identify, recruit and nominate candidates based on the following eligibility and experience criteria: a candidate’s integrity and business ethics, strength of character, judgment, experience and independence, as well as factors relating to the composition of the Board of Directors, including its size and structure, the relative strengths and experience of current directors and principles of diversity, including diversity of experience, personal and professional backgrounds, competence in information technology, race, gender and age. Although the committee does not have formal objective criteria for determining the amount of diversity needed on the Board of Directors, it is one of the factors the committee considers in its evaluation. In nominating candidates to fill vacancies created by the expiration of the term of a member of the Board of Directors, the committee determines whether the incumbent director is willing to stand for re-election. If so, the committee evaluates his or her performance in office to determine suitability for continued service, taking into consideration the value of continuity and familiarity with our business.

Director Resignation Policy

Our Bylaws require a candidate in an uncontested election for director to receive a majority of the votes cast in order to be elected as a director. Under this provision, each vote is specifically counted “for” or “against” the director’s election, unless a common stockholder abstains from voting with respect to the matter. Thus, a director nominee is required to receive more votes “for” than “against” to be elected. Pursuant to Maryland law, a director shall remain in office until his or her successor is duly elected and qualifies, even if the director has not received a vote sufficient for re-election. Thus, a company could have a “holdover” director. However, pursuant to our Board-approved director resignation policy, an incumbent director must tender his or her resignation to the Board of Directors if the director is nominated but not re-elected. The policy also requires the

Compensation and Corporate Governance Committee to make a recommendation to the full Board of Directors on whether to accept or reject the resignation, and the full Board of Directors to make that determination. The Board of Directors will publicly disclose its decision within 90 days after receipt of the tendered resignation.

Any director who tenders his or her resignation pursuant to this policy may not participate in the Compensation and Corporate Governance Committee recommendation or Board of Directors action regarding whether to accept the resignation offer. If each member of the Compensation and Corporate Governance Committee does not receive a vote sufficient for re-election, then the disinterested directors who did not fail to receive a sufficient vote shall appoint a committee amongst themselves to consider the resignation offers and recommend to the Board of Directors whether to accept them. If the only directors who did not fail to receive a sufficient vote for re-election constitute three or fewer directors, all directors (other than the director who tendered the resignation under review) may participate in the action regarding whether to accept the resignation offers.

Certain Transactions with Related Persons

Related Person Transaction Policies

We have procedures in place for the review, approval and monitoring of transactions involving us and certain persons related to us. As a BDC, the 1940 Act restricts us from participating in transactions with any persons affiliated with us, including our officers and directors, and any other person controlling or under common control with us (including American Capital), subject to certain exceptions.

Our Board of Directors has also adopted a policy regarding the approval of any “related person transaction,” which is any transaction or series of transactions in which we or any of our subsidiaries is or are to be a participant, the amount involved exceeds \$120,000, and a “related person” (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person would need to promptly disclose to our Secretary any related person transaction and all material facts about the transaction. Our Secretary would then assess and promptly communicate that information to the Compensation and Corporate Governance Committee of our Board of Directors. Based on its consideration of all of the relevant facts and circumstances, this committee will decide whether or not to approve such transaction and will generally approve only those transactions that do not create a conflict of interest. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to this committee, which will evaluate all options available, including ratification, revision or termination of such transaction. Our policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

Our Code of Ethics, which was reviewed and approved by our Board of Directors and provided to all of our directors and officers, our Manager and the persons who provide services to us pursuant to the administrative services agreement, requires that all such persons avoid any situations or relationships that involve actual or potential conflicts of interest, or perceived conflicts of interest, between an individual’s personal interests and the interests of ACSF. Pursuant to our Code of Ethics, each of these persons must disclose any conflicts of interest, or actions or relationships that might give rise to a conflict, to their supervisor or our Secretary. If a conflict is determined to exist, the person must disengage from the conflict situation or terminate his provision of services to us. Our chief executive officer, chief financial officer, principal accounting officer, chief investment officer and certain other persons who may be designated by our Board of Directors or its Audit and Compliance Committee, whom we collectively refer to as our financial executives, must consult with our Secretary with respect to any proposed actions or arrangements that are not clearly consistent with our Code of Ethics. In the event that a financial executive wishes to engage in a proposed action or arrangement that is not consistent with our Code of Ethics, the financial executive must obtain a waiver of the relevant provisions of our Code of Ethics in advance from our Audit and Compliance Committee. We intend to post amendments to or waivers from the Code of Ethics (to the extent applicable to our financial executives) on our web site www.ACSF.com.

Related Person Transactions

We have entered into a management agreement with our Manager with a current renewal term expiring January 15, 2017. Unless terminated earlier, the management agreement will automatically renew following the expiration of its then current term for a one year period if approved annually by the Board of Directors or by the affirmative vote of the holders of a majority of our outstanding voting securities, and, in either case, if also approved by the majority of our directors who are not “Interested Persons” as defined under the 1940 Act. The management agreement automatically terminates in the event of its assignment, as defined in the 1940 Act, by our Manager. The management agreement may also be terminated at any time, without the payment of any penalty, upon 60 days’ written notice, by (i) holders of a majority of our outstanding voting securities, (ii) our Board of Directors or (iii) our Manager. As of the date of this proxy statement, no such termination notice has been given. See “Proposal 2—Approval of Amendment and Restatement of Management Agreement—Summary of Current Management Agreement.”

We rely on our Manager to administer our business activities and day-to-day operations, subject to the supervision and oversight of our Board of Directors. Because neither we nor our Manager have any employees or separate facilities, our Manager has entered into an administrative services agreement with American Capital and the parent company of our Manager, pursuant to which our Manager has access to their employees, infrastructure, business relationships, management expertise, information technologies and capital raising capabilities, legal and compliance functions and accounting, treasury and investor relations capabilities, which allow our Manager to fulfill all of its responsibilities under the management agreement. However, we are not a party to, or a third-party beneficiary under the administrative services agreement. In addition, neither the administrative services agreement nor the management agreement requires our Manager, the parent company of our Manager or American Capital to dedicate specific personnel to our operations nor requires any specific personnel of the parent company of our Manager or American Capital to dedicate a specific amount of time to our business. All of our officers are also officers of our Manager, the parent company of our Manager and/or American Capital.

Our wholly-owned consolidated special purpose financing vehicle, ACSF Funding I, LLC, has entered into an investment advisory agreement with our Manager to manage its assets. No additional compensation is payable to our Manager under such agreement.

We have not entered into any other transactions in which any other director or officer or stockholder of ours or our Manager has any material interest.

Compensation and Corporate Governance Committee Interlocks and Insider Participation

PROPOSAL 1: ELECTION OF DIRECTORS

Pursuant to our Charter and Bylaws, common stockholders elect each of the members of the Board of Directors annually. The term of each director will expire at the Annual Meeting. Each director has been nominated by the Compensation and Corporate Governance Committee of the Board of Directors, in accordance with our Bylaws, to stand for re-election at the Annual Meeting and to serve as a director until our annual meeting to be held in 2017 and until his or her successor is duly elected and qualifies. It is expected that each of the nominees will be able to serve, but if any such nominee is unable to serve for any reason, the proxies reserve discretion to vote or refrain from voting for a substitute nominee or nominees. A common stockholder using the enclosed form of proxy can vote for or against any or all of the nominees or may abstain from voting for any or all of the nominees.

We believe that all of our directors, each of whom is a nominee for re-election, possess the personal and professional qualifications necessary to serve as a member of our Board of Directors. Our directors have been evaluated by the Compensation and Corporate Governance Committee pursuant to the guidelines described above under “Board and Governance Matters—Board Membership Criteria” and the determination was made that each of them fulfills and exceeds the qualities that we look for in members of our Board of Directors. Messrs. Wilkus and Lundine are affiliates of our Manager. Other than Messrs. Wilkus and Lundine, each of the nominees is independent as defined in the NASDAQ rules and is not an “Interested Person,” as defined in the 1940 Act.

Conclusion and Recommendation; Vote Required

The election of directors nominated in Proposal 1 requires the affirmative vote of a majority of all of the votes cast by holders of our common stock at the Annual Meeting. The affirmative vote of a “majority” of the votes cast means that the number of votes cast “for” a director nominee must exceed the votes cast “against” that nominee. In the context of the election of five directors at the Annual Meeting, it will mean that each of the five candidates will be required to receive more votes “for” than “against” to be elected. Abstentions and broker non-votes will have no effect on the outcome of the proposal. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF ALL THE NOMINEES NAMED ABOVE.**

PROPOSAL 2: APPROVAL OF AMENDMENT AND RESTATEMENT OF MANAGEMENT AGREEMENT

Our Board of Directors approved the renewal of our management agreement with our Manager, American Capital ACSF Management, LLC, for a successive annual term through January 15, 2017 and, subject to stockholder approval, approved an amendment and restatement of our management agreement (the “amended management agreement”). The proposed amended management agreement would (i) extend the term of our 0.75% expense cap for almost another five years through December 31, 2020, (ii) subject to the expense cap, permit our Manager to be reimbursed for certain compensation expenses related to legal, compliance and internal audit personnel of our Manager and its affiliates who provide services to us and (iii) make certain immaterial changes. The complete text of the proposed amended management agreement is attached as Appendix 1 to this proxy statement and is incorporated herein by reference.

The management agreement will automatically terminate in the event of its assignment, as defined in the 1940 Act, by our Manager. The management agreement may also be terminated at any time, without the payment of any penalty, upon 60 days’ written notice, by (i) holders of a majority of our outstanding voting securities, (ii) our Board of Directors or (iii) our Manager.

The management agreement requires our Manager to oversee our business affairs in conformity with the Investment Committee’s operating policies and guidelines. Our Manager at all times is subject to the supervision and direction of our Board of Directors, the terms and conditions of the management agreement and such further limitations or parameters as may be imposed from time to time by our Board of Directors. Our Manager is generally responsible for (i) the selection, purchase, sale and monitoring of our investment portfolio, (ii) our financing and hedging activities and (iii) providing us with investment advisory services. Our Manager is also responsible for our day-to-day operations and performs such services and activities relating to our assets and operations, as appropriate.

Our Manager receives a management fee from us that is payable quarterly in arrears. The management fee is calculated at an annual rate of 0.80% of our total consolidated assets, excluding cash and cash equivalents and net unrealized appreciation or depreciation, each as determined under GAAP at the end of the most recently completed fiscal quarter. We do not pay any incentive compensation to our Manager. The management fee is prorated for any partial period. For each of the years ended December 31, 2015 and 2014, we paid our Manager management fees of \$2.2 million.

ACSF Funding I, LLC, our wholly-owned consolidated special purpose financing vehicle, has entered into an investment advisory agreement with our Manager to manage its assets. No additional compensation is payable to our Manager under such agreement.

Payment of Our Expenses

As noted above, we do not have any employees and do not pay our officers any compensation. We currently pay, or reimburse our Manager and its affiliates, for expenses related to our operations incurred on our behalf, but excluding employment-related expenses of our and our Manager's officers and any employees of American Capital or the parent company of our Manager who provide services to us.

Pursuant to the management agreement, our Manager has agreed to be responsible for certain of our operating expenses in excess of 0.75% of our consolidated net assets, less net unrealized appreciation or depreciation, each as determined under GAAP at the end of the most recently completed fiscal quarter for the first 24 months following the date of our IPO (the "Expense Cap"). Our operating expenses that are subject to the Expense Cap include both (i) expenses that would be reimburseable to our Manager and its affiliates because the expenses are related to our operations and incurred on our behalf and (ii) operating expenses directly incurred by us excluding the management fee, interest costs, taxes and accrued costs and fees related to actual, pending or threatened litigation, each as determined under GAAP for the most recently completed fiscal quarter. As a result of the Expense Cap, a significant portion of our operating expenses during the past two years, including reimbursements to our Manager and its affiliates, have been reduced or eliminated, and in certain instances, our Manager has been required to reimburse us so that our expenses to third parties do not exceed the Expense Cap. The Expense Cap was initially set to expire on January 31, 2016, but our Manager has agreed to extend the term of the Expense Cap through the date of the Annual Meeting. Following the current expiration date of the Expense Cap on December 16, 2016, our operating expense ratio could increase significantly because we will be required to reimburse our Manager or its affiliates for all expenses related to our operations. For the years ended December 31, 2015 and 2014, our Manager or its affiliates incurred \$1.8 million and \$2.0 million, respectively, of expenses on our behalf. However, we were not required to pay, or reimburse our Manager, for \$0.9 million and \$1.0 million, respectively, of such expenses as a result of the Expense Cap.

Subject to the Expense Cap where applicable, the costs and expenses required to be paid by us include, but are not limited to:

- certain costs incurred in connection with capital raising activities;
- transaction costs incident to the acquisition, disposition, financing, hedging and ownership of our investments;
- diligence costs incurred for prospective investments;
- expenses incurred in contracting with third parties;
- external legal, auditing, accounting, consulting, investor relations, portfolio valuation, brokerage and administrative fees and expenses;
- the compensation and expenses of our independent directors and the cost of liability insurance to indemnify our directors and officers and the officers and employees of our Manager and its affiliates who provide services to us;
- the costs associated with our establishment and maintenance of any indebtedness (including interest expense, commitment fees, accounting fees, legal fees, closing costs, rating agency fees and similar expenses);
- expenses relating to the payment of dividends;
- costs incurred by our Board of Directors and personnel of our Manager or its affiliates for travel on our behalf;
- expenses relating to communications to holders of our securities and in complying with the continuous reporting and other requirements of the SEC and other governmental bodies;
- tax and license fees applicable to us and our subsidiaries, including external fees for tax and regulatory compliance;
- insurance costs incurred by us and our subsidiaries;
- transfer agent, custodial, trustee, third-party loan administration and exchange listing fees;
- the costs of printing and mailing proxies and reports to our stockholders;
- the costs of establishing and maintaining our website;
- all costs of organizing, modifying or dissolving our company or any subsidiary and costs in preparation of entering into or exiting any business activity;

- our pro rata portion of costs associated with any computer software, hardware or information technology services that are used by us or our Manager on our behalf;
- our pro rata portion of the costs and expenses incurred with respect to market information systems and publications, research publications and materials used by us or our Manager on our behalf;
- settlement, clearing, trustee, prime brokerage and custodial fees and expenses relating to us;
- the costs of maintaining compliance with all federal, state and local rules and regulations or any other regulatory agency (as such costs relate to us), all taxes and license fees and all insurance costs incurred on behalf of us;
- the costs of administering our equity incentive plans, if any; and
- our pro rata portion of rent (including disaster recovery facility costs and expenses), telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of our Manager and its affiliates required for our operations.

Indemnification

The management agreement provides that our Manager and its affiliates and their respective directors, officers, employees, members, managers, partners and stockholders are entitled to broad indemnification from us from and against any claims or liabilities (including reasonable legal fees and other expenses reasonably incurred, arising out of or in connection with our business and operations or any action taken or omitted on our behalf pursuant to authority granted by the management agreement) to the fullest extent such indemnification is then permitted under our Charter and Bylaws, the 1940 Act, the Investment Advisers Act of 1940, the laws of the State of Maryland and any other applicable law.

Summary of the Proposed Amended Management Agreement; Reasons

The proposed amended management agreement would (i) extend the term of our Expense Cap for almost another five years through December 31, 2020, (ii) subject to the Expense Cap, permit our Manager to be reimbursed for certain compensation expenses related to legal, compliance and internal audit personnel of our Manager and its affiliates who provide services to us necessary for our operations that are not required to be provided by our Manager under the management agreement and (iii) make certain immaterial changes. The other material terms of the management agreement would remain unchanged.

Our Board of Directors believes that the proposed amended management agreement is in the best interest of our Company because it allows us as a result of the extension of the term of the Expense Cap to maintain a lower operating expense ratio than would otherwise be the case in order to remain competitive with our peers notwithstanding the significant fixed costs associated with operating a publicly traded fund. For instance, without the Expense Cap, we would have been required to reimburse our Manager or its affiliates for an additional \$0.9 million and \$1.0 million of operating expenses for the years ended December 31, 2015 and 2014, respectively. Such additional expenses would have negatively impacted our stockholder returns, particularly given our small size relative to our peers.

In addition, our Board of Directors believes that the proposed amended management agreement would eliminate the potential disincentive that our Manager has to utilize certain in-house resources to provide us with greater service and efficiency. Under our current management agreement, we pay, or reimburse our Manager and its affiliates, for expenses related to our operations incurred on our behalf, but excluding employment-related expenses of our and our Manager's officers and any employees of American Capital or the parent company of our Manager who provide services to us. However, our peer companies and most other BDCs pay for certain compensation-related expenses of their managers. The proposed amendment would allow us to reimburse our Manager for certain compensation expenses related to legal, compliance and internal audit personnel of our Manager and its affiliates who provide services to us necessary for our operations that are not required to be provided by our Manager under the management agreement, in amounts not to exceed reasonable third-party costs of providing such services. Without such reimbursement, our Manager could be incentivized to outsource such functions and would be entitled to reimbursement for such costs under the management agreement. We believe that our Manager's in-house resources ultimately provide greater service and efficiency through dedicated, highly-skilled employees who possess a deeper knowledge base regarding our business than third-party service providers, and that such services typically can be provided in-house at a discount to third-party service providers, particularly due to potential economies of scale shared by our Manager and its affiliates. We further note that the aggregate amount of such expenses and certain other operating expenses would be limited by the Expense Cap for almost another five years through December 31, 2020 if the proposed amended management agreement is approved at the Annual Meeting by our stockholders.

Board Consideration of Amended Management Agreement

At an in-person meeting, our Board of Directors, including a majority of the directors who are not “Interested Persons” as defined in the 1940 Act, approved the amended management agreement, subject to stockholder approval. The proposed amended management agreement had also been reviewed and recommended to the Board for approval by the Compensation and Corporate Governance Committee of the Board of Directors, which is comprised of all of our disinterested directors and charged with reviewing the performance of and compensation paid to the Manager under its charter. The Compensation and Corporate Governance Committee retained and met separately with independent legal counsel (the “Independent Legal Counsel”) in connection with its review. In reaching its decision, our Board of Directors and the Compensation and Corporate Governance Committee reviewed a significant amount of information, which had been furnished by our Manager at the request of the Independent Legal Counsel, including without limitation: (i) information on our Manager’s management and investment teams as well as succession planning for key personnel, (ii) a description of the management and administrative services provided by our Manager and the personnel performing such services, (iii) the expected benefits and costs as a result of our Manager’s service as our investment adviser, (iv) extensive materials regarding our past investment results and the performance of comparable funds, (v) comparisons of management fee charged by our Manager and other advisers to comparable funds, (vi) financial and profitability information regarding our Manager, and (vii) information pertaining to the proposed strategic transaction by the indirect owner of our Manager and any potential impact on us. Furthermore, the directors received a wide variety of materials relating to the nature, quality and extent of the additional legal, compliance and internal audit services provided to us by our Manager that would be reimburseable under the proposed amended management agreement. In addition, the directors were provided with a legal memorandum from the Independent Legal Counsel discussing their fiduciary duties related to the approval of the amended management agreement.

In deciding to recommend the approval of the amended management agreement to stockholders, the Board did not identify any single or particular piece of information that, in isolation, was the controlling factor. The Board based its determination on the total mix of information available to them. This summary describes the most important, but not all, of the factors considered by the Board.

1. Nature, Extent and Quality of Services

The Board’s analysis of the nature, quality and extent of the investment management services as well as the legal, compliance and internal audit services that we would be required to reimburse our Manager for under the proposed amended management agreement took into account various factors, including the Manager’s prior performance for such services, key personnel and the knowledge that the directors gained from their previous regular meetings with the Manager. The Board discussed the benefits of utilizing our Manager’s in-house resources, including access to skilled and experienced employees who can provide greater service and efficiency than certain third-party service providers due to their familiarity with our business. The directors also considered that our peers and most other BDCs pay for such compensation-related expenses and the fact that without the proposed reimbursement for such services, our Manager is incentivized to outsource such functions to a third party since third-party costs are reimbursed under the current management agreement. In addition, the directors discussed certain potential conflicts of interest between our Manager and us, including our Manager’s specific procedures for allocating investment opportunities among its advisory clients. Based on its review, the Board determined that the nature, extent and quality of the services to be provided to us under the amended management agreement were satisfactory and supported approval of the amended management agreement.

2. Investment Performance

In considering our and our Manager’s investment performance, the Board discussed our portfolio composition and asset yields and compared our performance with that of externally managed peers. The directors determined that we were performing as expected given our current size and brief operating history.

3. Costs of Services Provided and Profitability of Manager

The Board examined comparative data with respect to management fees and similar expenses paid, or reimbursed, by other BDCs with similar investment objectives, including that our management fee is lower than our peers and that our peer companies and most other BDCs pay for certain compensation-related expenses of their managers. The Board also considered that we do not pay a performance incentive allocation and that our Manager’s management fees, as a percentage of total assets, were lower than its peer group median. In addition, the Board evaluated the projected increase in our operating expenses and expense ratio, including as a percentage of equity, as a result of the reimbursement of the costs for the legal, compliance and internal audit services provided to us by our Manager under the proposed amended management agreement. The Board also considered the benefits of the Expense Cap on our operating expenses (exclusive of the management fee), such as the fact that

the Expense Cap will cover the costs of the proposed additional services for almost another five years, and discussed our Manager's financial condition and profitability. Based on its review of the information provided, the Board determined that the anticipated management fees and expenses under the amended management agreement, including the existing fee structure and the additional expense reimbursements described in this proposal, were reasonable and in the best interests of the Company.

4. Economies of Scale

The Board considered the extent to which economies of scale with respect to the management fee would be realized if we are able to grow in size. In addition, the Board considered the impact of the Expense Cap on our operating expenses as well as the indirect benefits provided to us by our Manager, such as better allocations for investments, a more robust infrastructure and an enhanced ability to retain high-quality investment professionals. The directors determined that potential economies of scale were not a significant consideration in approving the amended management agreement, and that the current investment advisory fee structure was reasonable.

5. Other Benefits to our Manager

The Board also considered whether our Manager is expected to receive other benefits as a result of its relationship with us. In light of the Expense Cap, the directors determined that there were currently no material other benefits to our Manager.

Based on the information reviewed and the discussions detailed above, the Board of Directors, including a majority of the directors who are not "Interested Persons" as defined in the 1940 Act, concluded that the terms of the proposed amended management agreement, including the reimbursement of certain compensation expenses related to legal, compliance and internal audit personnel of our Manager and its affiliates who provide services to us, were fair and equitable in relation to the services to be provided and approved the proposed amended management agreement.

Conclusion and Recommendation; Vote Required

The approval of our amended management agreement requires the affirmative vote of (i) 67% or more of the outstanding shares of our common stock present at the Annual Meeting or represented by proxy if the holders of more than 50% of the shares of our common stock are present or represented by proxy or (ii) more than 50% of our outstanding shares of common stock, whichever is less. Abstentions and broker non-votes will have the effect of a vote against this proposal. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR AMENDMENT AND RESTATEMENT OF THE MANAGEMENT AGREEMENT.**

PROPOSAL 3: APPROVAL AND RATIFICATION OF CERTAIN PAYMENTS MADE TO OUR MANAGER UNDER MANAGEMENT AGREEMENT

Considerations

This proposal seeks your approval and ratification of certain compensation previously made to our Manager pursuant to the current management agreement and of the Board of Directors' determinations with respect thereto discussed below. The Board, including all of the disinterested directors, unanimously recommends that you vote in favor of this proposal. This proposal relates only to the current management agreement and certain payments previously made to our Manager thereunder and to the Board of Directors' determinations with respect thereto.

Background. The 1940 Act requires that at least a majority of a BDC's directors be disinterested directors. Under the 1940 Act, a person that is a security holder of the investment adviser to a BDC, or any parent company of the investment adviser, is an "interested person" of the BDC and the investment adviser. On March 11, 2016, the Company's management became aware that there was an issue as to the independence of two of the directors whom the Board had previously believed in good faith to be qualified as disinterested directors. Specifically, it was noted that Messrs. Harvey and Crawford owned approximately 1,424 and 4,000 shares, respectively, of American Capital, Ltd. ("ACAS") common stock, the indirect owner of our manager. Mr. Harvey owned shares of ACAS stock since his initial election as a director of the Company in 2014 and Mr. Crawford owned shares of ACAS stock since 2015. As such, Mr. Harvey and Mr. Crawford would have been "interested persons" of the Company under the 1940 Act through the date on which they sold all of the ACAS shares they owned. Mr. Harvey and Mr. Crawford sold all of their shares of ACAS promptly after learning that there was an issue as to their independence. During the periods when Mr. Harvey and Mr. Crawford held shares of ACAS stock, the regulatory requirement under the 1940 Act that a majority of the Board consist of disinterested directors was not satisfied, although Messrs. Harvey and Crawford believed, based on prior legal advice, that their ownership of ACAS stock did not impair their independence. Each of Messrs. Harvey and Crawford and the Board believed that Messrs. Harvey and Crawford were disinterested directors at all times since the Company commenced operations and all times acted as such. The Company and Messrs. Harvey and Crawford were advised that Messrs. Harvey and Crawford did not qualify as disinterested directors of the Company following a legal review conducted in connection with the preparation of this proxy statement. Messrs. Harvey and Crawford immediately sold all their shares of ACAS stock as soon as they became aware that such ownership was preventing them from qualifying as disinterested directors.

The 1940 Act requires that certain matters such as management agreements with investment advisers be approved by a majority of the disinterested directors of a BDC's board, including management agreements and payments made to investment advisers thereunder. The initial approval and subsequent renewal of the management agreement with our Manager as well as the compensation previously paid to our Manager under the management agreement have been reviewed, approved and ratified, as the case may be, in the ordinary course of the Company's operations by Messrs. Harvey and Crawford and Ms. Caldwell. Ms. Caldwell has at all times qualified as a disinterested director and has approved all of the matters required to be approved or ratified by a majority of the disinterested directors. In addition, Mr. Crawford qualified as a disinterested director from the time of his initial election as a director of the Company until he purchased shares of ACAS in 2015, including at the time the management agreement was originally approved by the Board of Directors. Nevertheless, because the Board did not consist of a majority of disinterested directors as required by the 1940 Act when these matters were considered and approved by the Board, the validity of these approvals and ratifications is uncertain. Thus, as explained more fully below, once the Board confirmed that it was composed of a majority of disinterested directors following Messrs. Harvey and Crawford's sale of their shares of ACAS stock, the Board approved and ratified all such prior actions. Because management agreements are required to be approved initially by a majority of directors, who are disinterested directors, under the 1940 Act, as well as by the stockholders of the Company, and renewed by either the affirmative vote of the board, including a majority of disinterested directors, or the stockholders of the Company, the Board believes that it is appropriate to request that the Company's stockholders ratify the payments previously made to our Manager under the management agreement. Consequently, this proposal relates only to such payments and the Board of Directors' determinations with respect thereto. The 1940 Act provides that a contract that is made in, or whose performance involves a, violation of the 1940 Act is unenforceable by either party, unless a court finds that under the circumstances enforcement would produce a more equitable result than non-enforcement and would not be inconsistent with the purposes of the 1940 Act. To the extent that such a contract has already been performed, a court may not deny rescission at the instance of any party unless the court finds that under the circumstances the denial of rescission would produce a more equitable result than would rescission and would not be inconsistent with the purposes of the 1940 Act. However, it should be noted that these provisions of the 1940 Act do not preclude recovery against any person for unjust enrichment.

Actions of the Board. Once management became aware of the issues surrounding the Board not being properly constituted, management promptly notified the Board and discussed the matters with the Company's outside legal counsel and Independent Legal Counsel to the disinterested directors. The lead independent director of the Board also had separate discussions with such Independent Legal Counsel. As noted above, Messrs. Harvey and Crawford immediately sold all of their shares of ACAS stock, thereby removing the impairment of their independence discussed above. An in-person Board meeting was also held promptly on March 15, 2016 (the "Board Meeting"), at which management, Independent Legal Counsel to the disinterested directors and outside legal counsel to the Company were present. Management presented a summary of the issues to the Board. The Board reviewed the relationships that each of the directors has with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) to determine if any would impair his or her independence. It was noted that Messrs. Harvey and Crawford had disposed of all of their respective ACAS stock, such stock represented a small equity interest in a publicly traded BDC that owned an entity that indirectly owns the Manager, which was *de minimis* both in terms of ownership of the company and relative to their respective net worths, and the Board did not believe that such ownership impaired their objectivity. The Board also noted that Ms. Caldwell had never owned any ACAS stock. It was further noted that in addition to Ms. Caldwell, Messrs. Harvey and Crawford had always conducted themselves as disinterested directors, and that management and the Board had believed that all such directors were disinterested. Following the Board's review and discussion on the matters, the Board confirmed the current status of Ms. Caldwell and Messrs. Harvey and Crawford as disinterested directors.

At the Board Meeting, with the advice of outside legal counsel and separate Independent Legal Counsel to the disinterested directors, the Board and the disinterested directors also considered all prior actions of the Board that required approval by the disinterested directors. Materials relevant to the foregoing, including (i) the minutes and resolutions of the meetings of the Board of Directors since the inception of the Company, (ii) related supporting material and information concerning the fees paid to our Manager, (iii) a comparison of such fees to the fees paid by other BDCs with investment objectives and policies similar to those of the Company and (iv) other information bearing on the quality of advisory services provided to the Company, previously provided to the Board were made available to the directors. Management also confirmed that such information was current and that no material changes or supplemental materials were necessary. The Board and the disinterested directors focused their review on any potential harm to the Company and its stockholders by, among other things, any improper benefits to any party. The disinterested directors also met in executive session in consultation with Independent Legal Counsel to further discuss various considerations related to the foregoing matters.

Determinations of the Board and the disinterested directors. At the Board Meeting, the Board, including the disinterested directors, observed that the Company has generated a stable and attractive dividend that is comparable to its peers although its portfolio is generally more diversified. In addition, they noted that, since its IPO, the Company has had the lowest management fee relative to comparable BDCs and a cap on certain of its operating expenses and the Company is not subject to any incentive fees. After review and discussion, the Board, including the disinterested directors, then determined that the terms of the management agreement were fair and reasonable to the Company when made, at all times our Manager has performed its obligations to the Company in a manner consistent with the description provided in the prospectus in all material respects, and that the payments made to our Manager, which were consistent with the prospectus disclosure, were fair and reasonable and not excessive. They also determined that there was no evidence of overreaching by any party to the management agreement. Furthermore, the Board, including the disinterested directors, determined that the Company and its stockholders experienced no economic harm during the applicable period as a result of the potential issue concerning the proper approval of the management agreement.

The full Board then considered the ratification and approval in all respects of the initial approval and all renewals of, and all payments made in accordance with, the management agreement. For the period from January 15, 2014 (the effective date of the management agreement) through December 31, 2014, the Company paid the Manager management fees in the amount of \$2.2 million and no incentive fee. For the fiscal year ended December 31, 2015, the Company paid the Manager management fees in the amount of \$2.2 million and no incentive fee. For the period from January 1, 2016 through March 31, 2016 (the "First Quarter 2016"), the Company has accrued, but not paid, management fees payable to our Manager in the amount of \$0.5 million and no incentive fee. The Board also noted the Company's operating expenses that the Manager had voluntarily paid or reimbursed to the Company, which amounted to \$1.0 million for the period from January 15, 2014 through December 31, 2014 and \$0.9 million for the fiscal year ended December 31, 2015. At the Board Meeting, the Board, including all of the directors who are not parties to the management agreement or interested persons in any such party, unanimously ratified and approved the payments made to our Manager under the management agreement and determined to honor and not seek modification of the management agreement or reimbursement of payments previously made to our Manager. The Board also determined that it is appropriate to submit these matters to the stockholders for approval and ratification, and to not pay the First Quarter 2016 management fees as well as the management fees for any subsequent periods prior to the date of the Annual Meeting, if any, and instead record these fees as management fees payable on the Company's books until stockholders vote on the matter. If and when the Company's stockholders approve this proposal, any management fees payable would then be paid to

the Manager. If stockholder approval is not obtained, the Board will consider all of its potential courses of action as explained below, including whether to pay such fees to our Manager for services rendered or to continue recording the fees as management fees payable pending the outcome of any potential claims or demands for payment by our Manager.

At the Board Meeting, the full Board also considered the ratification and approval in all respects of all the other prior actions of the Board that required the action of a majority of the disinterested directors. These included the approval of the Company and its Manager's codes of ethics and compliance programs; its transfer agent's compliance program; lead independent director designation; chief compliance officer designation; fidelity bond; and certain procedures governing transactions between the Company and affiliated persons. By unanimous vote, the full Board, including all of the disinterested directors, approved and ratified all such matters. In addition, the Audit Committee and the Compensation and Corporate Governance Committee ratified all of their respective prior actions.

Subsequent actions and effect of approval. Our Board of Directors has set the approval requirement for this proposal as the affirmative vote of the holders of a majority of the outstanding shares of the Company (as defined by the 1940 Act) which means the lesser of (a) the holders of 67% or more of the shares of the Company present at the Annual Meeting if the holders of more than 50% of the outstanding shares of the Company are present in person or by proxy or (b) more than 50% of the outstanding shares of the Company. In the event that stockholders do not approve this proposal, the Board will consider what further action, if any, should be taken. In making such determination, the Board will take into account all relevant information, including but not limited to the proportion of stockholders that voted for and against the proposal, courses of action that may be legally available to the Company, the Board's evaluation of the likelihood of success of such courses of action, their costs and potential benefits to the Company and the other foreseeable effects on the Company. In this regard, our Manager has informed the Company that it believes the Company would be unjustly enriched were our Manager required to repay any amount of the fees previously paid to our Manager under the management agreement. Based on the Board's review of the services rendered by our Manager and a comparison of the fees paid by the Company to our Manager to the fees paid by other BDCs with similar investment objectives and policies as well as the Company's operating expenses that our Manager voluntarily paid or reimbursed us, as noted above, the Board believes that the Company would be unlikely to prevail on an attempt to require the repayment of or otherwise to recoup the fees previously paid to our Manager under the management agreement.

Conclusion and Recommendation; Vote Required

The approval and ratification of certain payments made to our manager under our management agreement requires the affirmative vote of (i) 67% or more of the outstanding shares of our common stock present at the Annual Meeting or represented by proxy if the holders of more than 50% of the shares of our common stock are present or represented by proxy or (ii) more than 50% of our outstanding shares of common stock, whichever is less. Abstentions and broker non-votes will have the effect of a vote against this proposal. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL AND RATIFICATION OF CERTAIN PAYMENTS MADE TO OUR MANAGER UNDER THE MANAGEMENT AGREEMENT.**

PROPOSAL 4: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANT

Ernst & Young LLP has served as our independent public accountant since our IPO and the Audit and Compliance Committee approved the appointment of Ernst & Young LLP to audit our financial statements for 2016. The representative will have an opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions.

Ernst & Young LLP performed various audit and other services for us during 2015 and 2014. Fees for professional services provided by Ernst & Young LLP in 2015 and 2014 in each of the following categories were:

	2015	2014
Audit Fees	\$177,500	\$160,000
Audit-Related Fees	—	—
Tax Fees	\$15,000	—
All Other Fees	—	—
Total Fees	\$192,500	\$160,000

“Tax Fees” relate to fees billed for professional services for tax compliance.

Pre-Approval Policy

All services rendered by Ernst & Young LLP were permissible under applicable laws and regulations, and were pre-approved by the Audit and Compliance Committee for 2015 in accordance with its pre-approval policy. The Audit and Compliance Committee has established a policy regarding the pre-approval of all audit and permissible non-audit services provided by our independent public accountant. The policy requires the Audit and Compliance Committee to approve each audit or non-audit engagement or accounting project involving the independent public accountant, and the related fees, prior to commencement of the engagement or project to make certain that the provision of such services does not impair the firm's independence. The committee may delegate its pre-approval authority to one or more of its members, and such member(s) are required to report any pre-approval decisions to the Audit and Compliance Committee at its next meeting. The Audit and Compliance Committee has delegated authority to its Chair to pre-approve the engagement and related fees of the independent public accountant for any additional audit or permissible non-audit services. In addition, pursuant to the policy, pre-approval is not required for additional non-audit services if such services result in a *de minimus* amount of less than 5% of the total annual fees paid by us to the independent public accountant during the fiscal year in which the non-audit services are provided, were not recognized by us at the time of engagement to be non-audit services and are reported to the Audit and Compliance Committee promptly thereafter and approved prior to the completion of the annual audit.

Conclusion and Recommendation; Vote Required

The affirmative vote of a majority of all of the votes cast by holders of our common stock at the Annual Meeting is required to ratify the appointment of our independent public accountant. Abstentions will have no effect on the outcome of the proposal. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT PUBLIC ACCOUNTANT FOR 2016.**

REPORT OF THE AUDIT AND COMPLIANCE COMMITTEE

The Board of Directors has appointed an Audit and Compliance Committee presently composed of three directors, Ms. Caldwell and Messrs. Crawford and Harvey. Each of the directors is independent as defined in the NASDAQ rules. The Board of Directors has determined that Mr. Harvey is an “audit committee financial expert” (as defined in Item 407 of Regulation S-K under the Securities Act).

The Audit and Compliance Committee’s responsibility is one of oversight as set forth in its charter, which is available in the Investor Relations section of our web site at www.ACSF.com. It is not the duty of the Audit and Compliance Committee to prepare our financial statements, to plan or conduct audits or to determine that our financial statements are complete and accurate and are in accordance with U.S. generally accepted accounting principles. Our management is responsible for preparing our financial statements and for maintaining internal controls. The independent auditors are responsible for auditing the financial statements and for expressing an opinion as to whether those audited financial statements fairly present our financial position, results of operations, changes in net assets and cash flows in conformity with U.S. generally accepted accounting principles.

The Audit and Compliance Committee has reviewed and discussed our audited consolidated financial statements with management and with Ernst & Young LLP, our independent auditors for 2015.

The Audit and Compliance Committee has discussed with Ernst & Young LLP the matters required to be discussed by Auditing Standard No. 16 (which superseded Auditing Standard No. 61, as amended), as adopted by the Public Company Accounting Oversight Board.

The Audit and Compliance Committee has received from Ernst & Young LLP the written statements required by Public Company Accounting Oversight Board Rule No. 3526, “*Communications with Audit Committees Concerning Independence*,” and has discussed Ernst & Young LLP’s independence with Ernst & Young LLP, and has considered the compatibility of non-audit services with the auditor’s independence.

QUESTIONS AND ANSWERS ABOUT STOCKHOLDER COMMUNICATIONS AND PROPOSALS

1. WHO IS RESPONSIBLE FOR STOCKHOLDER COMMUNICATIONS?

The Board of Directors is of the view that management is primarily responsible for all communications on behalf of ACSF with stockholders and the public at large. Thus, in addition to our executive officers, our Manager provides us with an investor relations team who communicates with stockholders.

2. HOW DO I COMMUNICATE WITH THE COMPANY'S BOARD OF DIRECTORS?

Stockholders who wish to communicate with our Board of Directors or with a particular director may send a letter to our Secretary at American Capital Senior Floating, Ltd., 2 Bethesda Metro Center, 14th Floor, Bethesda, MD 20814. Any communication should clearly specify that it is intended to be made to the entire Board of Directors or to one or more particular director(s).

Under this process, our Secretary reviews all such correspondence and will forward to the Board of Directors a summary of all such correspondence and copies of all correspondence that, in the opinion of the Secretary, deals with the functions of the Board of Directors or committees thereof or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by ACSF that is addressed to members of the Board of Directors and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Chair of the Audit and Compliance Committee and handled in accordance with procedures approved by the Board of Directors with respect to such matters.

A copy of such procedures for the submission and handling of complaints or concerns regarding accounting, internal accounting controls or auditing matters is included in our Code of Ethics, which is published in the Investor Relations section of our web site at www.ACSF.com.

3. HOW CAN A STOCKHOLDER NOMINATE A DIRECTOR OR SUBMIT A PROPOSAL FOR THE 2017 ANNUAL MEETING?

Stockholder proposals or nominees for election to the Board of Directors must be made in accordance with the procedures set forth in our Bylaws and described in the following question, and not the procedures set forth in the preceding paragraph.

4. HOW CAN A STOCKHOLDER SUBMIT A PROPOSAL FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS?

Proposals received from common stockholders in accordance with Rule 14a-8 under the Exchange Act are given careful consideration by our Compensation and Corporate Governance Committee and our Board of Directors. If a common stockholder intends to present a proposal at the 2017 annual meeting of stockholders pursuant to Rule 14a-8 under the Exchange Act, in order for such stockholder proposal to be included in our proxy statement and proxy card for that meeting, the stockholder proposal must be received by our Secretary at American Capital Senior Floating, Ltd., 2 Bethesda Metro Center, 14th Floor, Bethesda, Maryland 20814, on or before July 10, 2017, unless the date of the 2017 annual meeting of stockholders has been changed by more than 30 days from December 16, 2017; then the deadline is a reasonable time before we begin to print and send our proxy materials.

If such proposal is in compliance with all of the requirements of Rule 14a-8 under the Exchange Act, the proposal will be included in our proxy statement and proxy card relating to such meeting. Nothing in the response to this question shall be deemed to require us to include any stockholder proposal that does not meet all the requirements for such inclusion established by the SEC in effect at that time.

In order for a proposal by a common stockholder submitted outside of Rule 14a-8, including any nominations for election to the Board of Directors made by common stockholders, to be considered at the 2017 annual meeting of stockholders, such proposal must be made by written notice (setting forth the information required by our current Bylaws) and received by our Secretary between June 10, 2017 and July 10, 2017, unless the date of the 2017 annual meeting of stockholders has been changed by more than 30 days from December 16, 2017; then such notice must be delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or the tenth day following the day on which public announcement of the date of such meeting is first made. Such proposals should be submitted by certified mail, return receipt requested.

5. HOW CAN I OBTAIN A COPY OF THE COMPANY'S 2015 ANNUAL REPORT ON FORM 10-K AND OTHER SEC FILINGS?

A copy of our 2015 Annual Report on Form 10-K containing audited financial statements was delivered or made available with this proxy statement. Additional copies of our 2015 Annual Report on Form 10-K (without

exhibits, unless otherwise requested) are available in print, free of charge, to stockholders requesting a copy by writing to: American Capital Senior Floating, Ltd., Investor Relations, 2 Bethesda Metro Center, 14th Floor, Bethesda, Maryland 20814, or by calling (301) 968-9310. (c) Reimbursement of Expenses. Costs and expenses incurred by the Manager on behalf of the Company and its subsidiaries shall be reimbursed monthly or quarterly (at the Manager's discretion) to the Manager. The Manager shall prepare a written statement in reasonable detail documenting the costs and expenses of the Company and its subsidiaries and those incurred by the Manager on behalf of the Company and its subsidiaries during each month, and shall deliver such written statement to the Company within thirty (30) days after the end of each month or quarter (at the Manager's discretion). The Company shall pay all amounts payable to the Manager pursuant to Section 2(b) within five (5) business days after the receipt of the written statement without demand, deduction, offset or delay. Cost and expense reimbursement to the Manager shall be subject to adjustment at the end of each calendar year in connection with the annual audit of the Company. The provisions of this Section 2 shall survive the expiration or earlier termination of this Agreement to the extent such expenses have previously been incurred or are incurred in connection with such expiration or termination.

(d) Expense Limitation. Through December 31, 2020, the "other operating expenses" of the Company and its subsidiaries will be limited to an annual rate of 0.75% of the Company's stockholder's equity, less net unrealized appreciation or depreciation, each as determined under U.S. generally accepted accounting principles ("GAAP") at the end of the most recently completed fiscal quarter. For the purposes of the preceding sentence, "other operating expenses" include both (i) the operating expenses of the Company and its subsidiaries reimbursed to the Manager and its affiliates for operating expenses related to their operations incurred on their behalf, and (ii) the operating expenses of the Company and its subsidiaries directly incurred by them, excluding the Management Fee (defined below), interest costs, taxes and accrued costs and fees related to any actual, pending or threatened litigation or any claim or liability for indemnification hereunder, each as determined under GAAP for the most recently completed fiscal quarter.

(e) Portfolio Company's Compensation. In certain circumstances the Manager, any Sub-Advisor, or any of their respective affiliates, may receive compensation from a portfolio company, in connection with the Company's investment in such portfolio company. Any compensation received by the Manager, Sub-Advisor, or any of their respective affiliates, attributable to the Company's investment in any portfolio company, in excess of any of the limitations in or exemptions granted from the Investment Company Act, shall be delivered promptly to the Company and the Company will retain such excess compensation for the benefit of its stockholders.

(f) Allocation of Expenses. Certain services provided to the Company or expenses incurred on its behalf as described in this Section 2, including personnel costs, will be subject to allocation among the Company, the Manager, the Manager's affiliates and other entities. Such allocation by the Manager shall be based on reasonable assumptions, and the assumptions shall be available for review and inspection by the Board on an annual basis.

3. Compensation of Manager. The Company agrees to pay, and the Manager agrees to accept, as compensation for the services provided by the Manager hereunder, a management fee as hereinafter set forth (the "Management Fee"). To the extent permitted by applicable law, the Manager may elect, or the Company may adopt a deferred compensation plan pursuant to which the Manager may elect, to defer all or a portion of its fees hereunder for a specified period of time.

(a) Management Fee. The Management Fee shall be 0.8% per annum of the Company's total assets, excluding cash and cash equivalents and net unrealized appreciation or depreciation, each as determined under GAAP at the

end of the most recently completed fiscal quarter. Management Fees for any partial quarter shall be prorated based on the number of days in such quarter. Notwithstanding anything herein to the contrary, to the extent that the Manager or an affiliate of the Manager provides investment advisory, collateral management or other similar services to a subsidiary of the Company for which the Manager or such affiliate receives a fee, the Management Fee shall be reduced by an amount equal to the product of (a) the total fees paid to the Manager by such subsidiary for such services and (b) the percentage of such subsidiary's total equity that is owned, directly or indirectly, by the Company.

(b) Payment of Management Fee. The Manager shall prepare a written statement in reasonable detail documenting the calculation of the Management Fee and shall deliver such written statement to the Company within thirty (30) days after the end of each fiscal quarter. The Company shall pay all amounts payable to the Manager pursuant to Section 3(a) within five (5) business days after the receipt of the written statement without demand, deduction, offset or delay. The Company shall make any payments due hereunder to the Manager or to the Manager's designee as the Manager may otherwise direct.

(c) Waiver or Deferral of Fee. The Manager shall have the right to elect to waive or defer all or a portion of the Management Fee that would otherwise be paid to it. Prior to the payment of any fee to the Manager, the Company shall obtain written instructions from the Manager with respect to any waiver or deferral of any portion of such fees. Any portion of a deferred fee payable to the Manager and not paid over to the Manager with respect to any month, calendar quarter or year shall be deferred without interest and may be paid over in any such other month prior to the occurrence of a liquidity event, as the Manager may determine upon written notice to the Company.

4. Representations, Warranties and Covenants of Manager. The Manager represents and warrants that it is registered as an investment adviser under the Advisers Act. The Manager agrees that its activities shall at all times be in compliance in all material respects with all applicable federal and state laws governing its operations and investments, including the Investment Company Act and the Advisers Act. The Manager agrees to observe and comply with applicable provisions of the code of ethics adopted by the Company pursuant to Rule 17j-1 under the Investment Company Act, as such code of ethics may be amended from time to time.

5. Excess Brokerage Commissions. The Manager is hereby authorized, to the fullest extent now or hereafter permitted by law, to cause the Company to pay a member of a national securities exchange, broker or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission another member of such exchange, broker or dealer would have charged for effecting that transaction, if the Manager determines in good faith, taking into account such factors as price (including the applicable brokerage commission or dealer spread), size of order, difficulty of execution, operational facilities of the firm and the firm's risk and skill in positioning blocks of securities, that such amount of commission is reasonable in relation to the value of the brokerage and/or research services provided by such member, broker or dealer, viewed in terms of either that particular transaction or its overall responsibilities with respect to the Company's portfolio, and constitutes the best net results for the Company.

6. Proxy Voting. The Manager shall be responsible for voting any proxies solicited by an issuer of securities held by the Company in the best interest of the Company and in accordance with the Manager's proxy voting policies and procedures, as any such proxy voting policies and procedures may be amended from time to time. The Company has been provided with a copy of the Manager's proxy voting policies and procedures and has been informed as to how it can obtain further information from the Manager regarding proxy voting activities undertaken on behalf of the Company.

7. Activities of Manager. The services of the Manager to the Company and its subsidiaries are not exclusive, and the Manager and/or any of its affiliates may engage in any other business or render similar or different services to others, including, without limitation, the direct or indirect sponsorship or management of other investment-based accounts or commingled pools of capital, however structured, having investment objectives similar to those of the Company, so long as its services to the Company and its subsidiaries hereunder are not impaired thereby, and nothing in this Agreement shall limit or restrict the right of any member, manager, partner, officer or employee of the Manager or any such affiliate to engage in any other business or to devote his or her time and attention in part to any other business, whether of a similar or dissimilar nature, or to receive any fees or compensation in connection therewith (including fees for serving as a director of, or providing consulting services to, one or more of the Company's portfolio companies, subject to applicable law). So long as this Agreement or any extension, renewal or amendment remains in effect, the Manager shall be the only investment adviser for the Company and its subsidiaries, subject to the Manager's right to enter into sub-advisory agreements. The Manager assumes no responsibility under this Agreement other than to render the services called for hereunder. It is understood that directors, officers, employees and stockholders of the Company are or may become interested in the Manager and its affiliates, as members, directors, managers, partners, officers, employees or otherwise, and that the Manager and directors, officers,

employees, partners, stockholders, members and managers of the Manager and its affiliates are or may become similarly interested in the Company as stockholders or otherwise.

8. Responsibility of Dual Directors, Officers and/or Employees. If any person who is a member, manager, partner, officer or employee of the Manager or the Administrator or an affiliate thereof is or becomes a director, officer and/or employee of the Company and acts as such in any business of the Company, then while he or she is performing services on behalf of the Company as a director, officer and/or employee of the Company, such member, manager, partner, officer and/or employee of the Manager or the Administrator or an affiliate shall be deemed to be acting in such capacity solely for the Company, and not as a member, manager, partner, officer or employee of the Manager or the Administrator or under the control or direction of the Manager or the Administrator, even if paid by the Manager or the Administrator.

9. Limitation of Liability of Manager; Indemnification. The Manager and its affiliates and its and its affiliates' respective directors, officers, employees, members, managers, partners and stockholders (each of whom shall be deemed a third-party beneficiary hereof) (collectively, the "Indemnified Parties") shall not be liable to the Company or its subsidiaries or its and its subsidiaries' respective directors, officers, employees, members, managers, partners or stockholders for any action taken or omitted to be taken by the Manager in connection with the performance of any of its duties or obligations under this Agreement or otherwise as an investment adviser of the Company, except to the extent specified in Section 36(b) of the Investment Company Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services. The Company shall indemnify, defend and protect the Indemnified Parties and hold them harmless from and against all claims or liabilities (including reasonable attorneys' fees) and other expenses reasonably incurred by the Indemnified Parties in or by reason of any pending, threatened or completed action, suit, investigation or other proceeding (including an action or suit by or in the right of the Company or its security holders) arising out of or in connection with the performance of any of the Manager's duties or obligations under this Agreement, any sub-advisory agreement or otherwise as an investment adviser of the Company, in each case to the fullest extent such indemnification is then permitted under the Company's charter, the Investment Company Act, the Advisers Act, the laws of the State of Maryland and any other applicable law.

10. Effectiveness, Duration and Termination.

(a) This Agreement shall become effective as of the date that the Agreement has been approved by the stockholders of the Company. Once effective, this Agreement shall remain in effect for one year after the Execution Date, and thereafter shall continue automatically for successive annual periods; provided that such continuance is specifically approved at least annually by:

(i) the vote of the Board, or by the vote of holders of a majority of the outstanding voting securities of the Company; and

(ii) the vote of a majority of the Company's directors who are not "interested persons" (as such term is defined in Section 2(a)(19) of the Investment Company Act) of any party hereto, in accordance with the requirements of the Investment Company Act.

(a) This Agreement may be terminated at any time, without the payment of any penalty, upon 60 days' written notice, by (i) the vote of holders of a majority of the outstanding voting securities of the Company, (ii) the vote of the Board or (iii) the Manager.

(b) This Agreement shall automatically terminate in the event of its "assignment" (as such term is defined for purposes of Section 15(a)(4) of the Investment Company Act); provided that nothing herein shall cause this Agreement to terminate upon or otherwise restrict a transaction that does not result in a change of actual control or management of the Manager.

(c) The provisions of Section 9 of this Agreement shall remain in full force and effect, and the Manager shall remain entitled to the benefits thereof, notwithstanding any termination or expiration of this Agreement. Further, notwithstanding the termination or expiration of this Agreement as aforesaid, the Manager shall be entitled to any amounts owed under Section 3 through the date of termination or expiration and Section 9 shall continue in force and effect and apply to the Manager and its representatives as and to the extent applicable.

11. Third-Party Beneficiaries. Nothing in this Agreement, either express or implied, is intended to or shall confer upon any person other than the parties hereto and the Indemnified Parties any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

12. Amendments of this Agreement. This Agreement may not be amended or modified except by an instrument in writing signed by both parties hereto, and upon the consent of stockholders of the Company in conformity with the requirements of the Investment Company Act.

13. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, and the applicable provisions of the Investment Company Act, if any. To the extent that the applicable laws of the State of New York, or any of the provisions herein, conflict with the applicable provisions of the Investment Company Act, if any, the latter shall control. The parties hereto unconditionally and irrevocably consent to the exclusive jurisdiction of the federal and state courts located in the State of New York and waive any objection with respect thereto, for the purpose of any action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

14. No Waiver. The failure of either party hereto to enforce at any time for any period the provisions of or any rights deriving from this Agreement shall not be construed to be a waiver of such provisions or rights or the right of such party thereafter to enforce such provisions, and no waiver shall be binding unless executed in writing by all parties hereto.

15. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to either party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

16. Headings. The descriptive headings contained in this Agreement are for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

17. Counterparts. This Agreement may be executed in one or more counterparts, each of which when executed shall be deemed to be an original instrument and all of which taken together shall constitute one and the same agreement.

18. Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by delivery in person, by overnight courier service (with signature required), by facsimile, or by registered or certified mail (postage prepaid, return receipt requested) to the parties hereto at their respective principal executive office addresses.

19. Entire Agreement. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, between the parties hereto with respect to such subject matter.

20. Certain Matters of Construction.

(a) The words “hereof,” “herein,” “hereunder” and words of similar import shall refer to this Agreement as a whole and not to any particular Section or provision of this Agreement, and reference to a particular Section of this Agreement shall include all subsections thereof.

(b) Definitions shall be equally applicable to both the singular and plural forms of the terms defined, and references to the masculine, feminine or neuter gender shall include each other gender.

(c) The word “including” shall mean including without limitation.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first written above.
